

Requirements/regulations

Quality standards

Commitment

Nutritional Values available

Misc. Implications

Student Pushback

Have to find a way to source cheaper ingredients to make them available to college students

Companies will want to offer student discounts

Potential Costs

Money for building, ingredients, etc

Time

Construction

Lost business

need for cost effective ingredients

Ideas

healthier restaurant options

using supply for health benefitting meals

Healthier Grab & Go options in markets

Partnerships with healthier brands/restaurants

student help

Affordable healthier options

more student discount opportunities
